CAMPAIGN CORRESPONDENCE

From John Wingo • To Joe at the Yemi for Mayor campaign

14 Jul 2023 13:33:04 -0600 | John Wingo (Meeting and Media Support)

Hi,

I would like to congratulate you on your journey of success with many more to come. My Name is John Wingo. My Family and I [redacted] met with you at your coffee shop to discuss current matters of an ongoing lawsuit (Wingo v 3M Company). The other plaintiffs who filed and I are still moving forward and attending to matters. Our representation along with the plaintiffs are all at a point in which we are ready to announce to the public. Our representation hired a PR who handles the media and approach. We currently have statements from many different individuals such as the President of the NAACP. The PR created a website to launch in which to help us navigate towards our journey in seeking justice.

I would like to reach out and ask if we could have another brief sit down and possibly add your statement and a photo to our website.

I would also like to meet with you again just to update you and let you know how our journey has been at this point. We thank you for meeting with us then and hopefully will be seeing you soon.

During the meeting I would like to show you the website created as well as take up on any advice as to the first meeting being so beneficial.

Also below I added the statement we received from the NAACP that is added to our website and we would be honored if you would consider support.
