A message to the Wingo family

The scan displays the account name “Regina Guy-English” and labels the day “Sat.” The family dates the exchange to August 1, 2026. The display name alone does not verify who typed the messages.

SATURDAY 5:10 PM

“Y’all might want to get y’all son together!”

The message is marked “Edited.” It continues by saying the sender’s children would never disrespect the recipients.

SATURDAY 10:21 PM

“We don’t want, nor does your son need this type of problem on his hands”

The next sentence says that the sender raised her sons to be respectful. The quotation above ends before the trailing dots in the scan.
