Hi John,

I thought I was listed as your representative for the EEOC, but I don't see the charge on my list of cases. Could you please go in and put my information into the Portal as your representative?

Thanks,

Rolf

Hi,

In the portal I do have all of your information added. I will make sure it's correct and double check everything.

When I log in things are different and it does not have an investigator names as it did before.

Thanks. I think I found the investigator. I'll let you know if anything is weird, but I wouldn't worry about it now. Just let me know if you hear anything from the EEOC Portal, and I'll do the same for you.
