The temporary deactivation notice

On July 22, 2020, at 6:32 p.m., Keith Petersen sent a notice to 3M's badge-access group in Aberdeen. The boxed text below comes from the notice in the forwarded email chain.

As of July 22, 2020, a 3M Badge for John Wingo has been deactivated until Midnight on 8/3

The following day

Brent Bonn forwarded the notice to David Rook, respiratory converting general supervisor. Rook acknowledged it in his reply. The chain does not identify who initiated the access change.

From:	David Rook
